PAT is a leading importer and wholesaler of EFI, engine management and service components, and is a major supplier to the automotive aftermarket. Premier Auto Trade (PAT) carries one of the most extensive ranges in the aftermarket with over 6,500 product lines, from the World's leading manufacturers, specialising in genuine and original equipment (OEM) products for vehicles manufactured in Australia, USA, Europe, Japan, Korea and more. PAT offers two product ranges in some categories, the PAT Premium Range and the MVP (Motor Vehicle Parts) range.

PREMIUM RANGE

- Premium Quality
- Leading Aftermarket and OE Manufacturers
- PAT Premium Packaging
- 1 year manufacturer's warranty

The PAT Premium brand represents PAT's Premium product offering, which includes Original Equipment (OE) and High Quality Aftermarket Products, from the world's leading manufactures.

Premier Auto Trade has their range of Premium Range packaging to enable easy identification of the premium brand or genuine product. Products from leading manufacturers including Pierburg, Bosch, Delphi, VDO, Denso, Valeo, Hitachi, VDO, Walker Products, TI Automotive, Walbro, Bougicord, FAE, Standard Motor Products, TE Automotive, Bremi and others are supplied in the PAT Premium Range packaging, giving peace of mind that a quality brand product is enclosed.

PAT Premium packaging also features an identification label and authentication hologram to ensure you are getting the real thing.

MVP (Motor Vehicle Parts) RANGE

- Quality Aftermarket Products
- Focus on value
- MVP Packaging
- 1 year warranty backed by Premier Auto Trade

The MVP (Motor Vehicle Parts) by PAT range includes high quality aftermarket products, with a focus on value. MVP Products are designed and tested to the vehicle manufacturer's specifications, offering OE form, fit and function.

The MVP range may include alternative products from PAT Premium range manufacturer's, where an OE or other Premium product is available.
