

exceed

LED Lighting Products

CONSIDER THE BENEFITS

Dasko have teamed with AP-LED to bring you an exceptional range of highest quality LED products, ideally suited to the New Zealand market.

E Approved

Ensuring ADR Compliance.

Long Life

Up to 100,000 hours of operation.

Low Current Draw

Significantly less power draw compared to incandescent lighting.

Polycarbonate

Why compromise long life benefits by using material that provide inferior impact resistance. Insist on Polycarbonate.

Multi Voltage

Available in some applications ideal for mixed fleets.

Epoxy Resin

Provides excellent water and dust resistance.

Maintenance free

No more changing globes or being caught out with ineffective lamps.

Quality Packaging

Provides an excellent in store display and gives the consumer all the information needed to make a buying decision.

Merchandiser Program

Merchandisers available allowing the consumer to see the product "lit up" effective tool in moving the consumer to a buying decision.

Ongoing Commitment

A product range that is going from strength to strength, with a range of products in development.

5 Year warranty unless otherwise stated

DASKO's Mission Statement.

The Dasko family is unreservedly committed to pro-actively support and care for every individual, group or company we associate with. Dasko provides a safe, stable, happy and positive environment, that sets the tone for energetic, enthusiastic and explosive growth. Dasko excels in an atmosphere of passion, performance and progress, facilitating satisfaction second to none, with every relationship.

TRAILER LIGHTING

AP100AR-TP TRAILER CONVERSION PACK (Square)

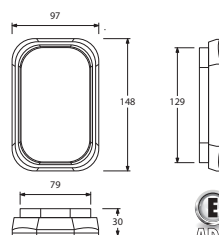

Hex Pattern, Polycarbonate Lens
E Approved, Complies With ADR
20 LED's, 12 Volt Only

AP47AR-TP TRAILER CONVERSION PACK (Rectangular)

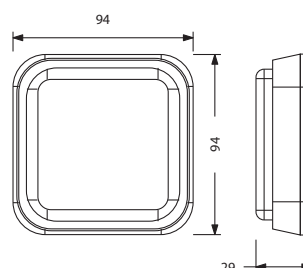

Includes Reflector, Polycarbonate Lens
E Approved, Complies With ADR
30 LED's, Multi Volt 10-30v

Part #	Description	
AP40B1B	BLACK BRACKET SINGLE SUIT AP40RA	
AP40B1C	CHROME BRACKET SINGLE SUIT AP40RA	

AP80RA 80 x 80 STOP, TAIL, INDICATOR (Plug for Easy Installation)

Polycarbonate Lens
E Approved
Complies with ADR
28 LED, 12 volt only

Can be used with pre wired trailer leads on page 22

Part #	Description	
AP80RA	80 x 80 STOP, TAIL, INDICATOR TRAILER LIGHT	
AP80RA10	DISPLAY BOX INTERACTIVE COUNTER DISPLAY BOX	
First lamp, lights up with interactive buttons for Stop, Tail & Indicator. This lamp can be removed & sold when box is empty.		

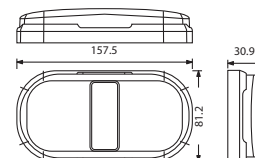

TRAILER LIGHTING

AP150AR STOP, TAIL, INDICATOR (Plug for Easy Installation)

SUBMERSIBLE

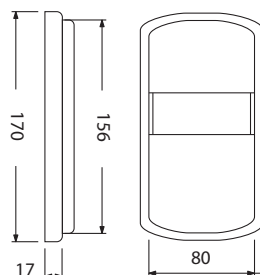

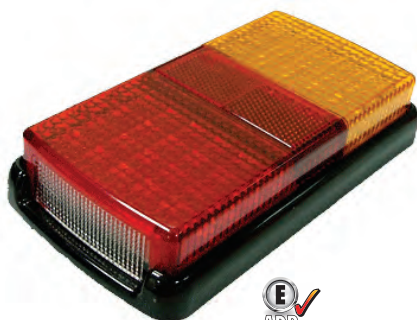

Includes Reflector
Polycarbonate Lens
E Approved
Complies with ADR
36 LED, Multi Volt 10-30v

Part #	Description	Can be used with pre wired trailer leads on page 22
AP150ARH	STOP, TAIL, INDICATOR & HORIZONTAL NUMBER PLATE LIGHT, 40 LED	 9 333938 002107
AP150ARV	STOP, TAIL, INDICATOR & VERTICAL NUMBER PLATE LIGHT, 40 LED	

AP42RA LED REAR COMBINATION

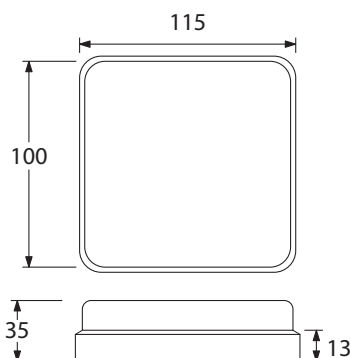

Includes Reflector, Polycarbonate Lens
E Approved, Complies With ADR
80 LED's, 12 Volt Only

Part #	Description
AP42RAW	LED REAR COMBINATION, LICENCE PLATE LIGHT

AP96RA LED REAR COMBINATION

Includes Reflector, Polycarbonate Lens
E Approved, Complies With ADR
45 LED's, 12 Volt Only

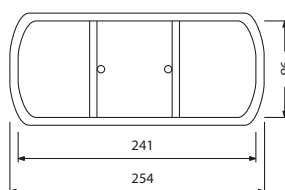

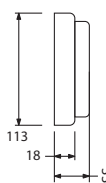

Part #	Description

30 LED's, Multi Volt 10-30v

Daytime running lights have been required in several northern hemisphere countries since being mandated in Finland Hungary and Canada require daytime running lights as do all Scandinavian countries. Whilst not yet mandatory in New Zealand some manufactures already feature these as standard equipment.

Daytime running lights are a proven safety measure overseas and have been estimated to be able to prevent up to 11% of multi-vehicle severe crashes, and up to 12% of pedestrian fatal crashes in New Zealand.

AP LED DRL's offer E approved, ADR compliant lights which have a tough polycarbonate lens and feature low current draw, long life LED's. Back this with our 2 year warranty and you can be assured that your lights will stand the test of time.

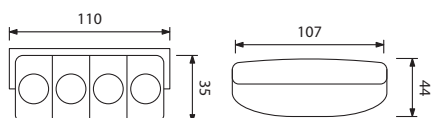

DAYTIME RUNNING LIGHTS

Points for Merchandisers

- Simply plug into 240V and let the Merchandiser do the selling for you.
- The Merchandiser becomes the centerpiece of an eye catching visually appealing LED Lighting category.
- Customers can see how superior the light output is when compared to conventional lighting.
- Inquiries are generally converted to sales once the consumer sees the product "Lit Up".
- Eliminates the Guess work from the consumer, providing customer satisfaction.

Warranty Information

AP LED Products warrants that all products described in this catalogue will be, under normal use and service, free of defects in material and workmanship for a minimum of one year (Up to six on some products. Please check product description.) from the date of original purchase by the customer as marked on the invoice.

This warranty does not cover ordinary wear and tear, abuse, cost of labour, altered products or damage caused by the purchaser.

Any warranty obligation under state or federal legislation is recognised.

If you have faulty lights they should be returned to the place of purchase along with copy of original receipt.

If you require any more information please contact AP LED at
